If a foreign national has a work permit **and** a study permit, they are authorized to work as per the conditions on their work permit and study as per the conditions on their study permit.

Foreign nationals can hold a study permit and work permit at the same time as long as they meet the eligibility requirements for both and continue to meet the conditions on their permits.

We hope that this information is helpful to you.

If someone holds Post graduate work permit and they want to study for course duration of 6 months and apply study permit for it.

If study permit gets issued to the client , In that case client PGWP will still be valid until expiry of his PGWP correct?
