Good day,

[redacted] to [redacted] and Citizenship Canada's Immigration Representatives Mailbox in regards to the meaning of "completed more than one program from an eligible DLI within 2 years".

Program stacking

Program stacking is when students complete more than one PGWP-eligible program from a PGWP-eligible DLI. To qualify for program stacking in relation to PGWP duration, **both** PGWP-eligible programs must

- be a minimum of 8 months in duration and
- be completed at a PGWP-eligible DLI within 2 years of the completion of the first program

We hope that this information is helpful to you.

Hi,

I would appreciate a clarification regarding the meaning of "completed more than one program from an eligible DLI within 2 years", does it mean that after completing one program, a student has two years from the completion date of the first program to complete another program?
