According to the information provided, the foreign nationals would not be on their initial period of authorized stay.

Short-term courses [R188(1)(c)] - Foreign nationals may enter Canada or remain in Canada without a study permit to attend a course or program of study of 6 months' duration or less [R188(1)(c)]. This exemption helps to facilitate access to short-term courses, regardless of their subject matter. The course or program of study may be part-time or full-time and **should be completed within the period authorized upon entry** (that is, up to 6 months).

It is possible the applicant may benefit from the following Public Policy - Temporary public policy to allow foreign nationals with valid work permits to study without a study permit - Canada.ca

We hope that this information is helpful to you.

I want to get one clarification regarding study on work permit. If a person is on work permit (received in January 2025) and it has condition which says - "Unless authorized, prohibited from attending any educational institution, or taking any academic, professional or vocational training course"

Can that person:-

1. 1. Study in a course which is less than 6 months of duration, while being on their work permit?
2. 2. if yes, once the person does the 6 months course, can that person do another course which is less than 6 months, while being on their work permit?

if the answer to the above questions is yes, can you please provide me website link, where i could find the information

There is many confusion going around and I wanted to get clarification about the same. I shall be very thankful to you if you would be kind enough to reply to my query

Awaiting

Thanks & Regards,
